

THE NATURAL WAY TO DEAL WITH....

- **Dyslexia**
- **Hyperactivity**
- **Lack of Concentration**
- **Eczema**
- **Allergies**
- **Asthma**
- **Coughs and Colds**
- **...and a host of other childhood disorders**

All these can be treated in a safe and natural way—with Irena Royal Jelly.

Irena, a natural blend of fresh Royal Jelly, herbs, vitamins and minerals that work separately and in synergy to boost the immune system. Improves mental concentration/absorption/agility and supplies all the nutrients a child's mind and body needs in the crucial years of growth.

It's safe—has stood the test of time—30 years through the generations, 100% natural and even has a lovely honey taste.

So give your child a natural head start with Irena
